OVERVIEW

7 Steps to Make the Plan Happen

1	Define your goals	40K reach, +500 followers, 100+ inquiries, +10 customers a day
2	List the tasks	11 key tasks, from market research to the final review
3	Set a timeline	4 weeks, with a clear deadline for every week
4	Assign responsibilities	Every task has one owner from our team
5	Identify resources	13,000 EGP budget, the right tools and the café's support
6	Monitor and assess progress	We track 5 KPIs and send a report every Sunday
7	Review and adjust	Fix what's weak every week, full review at month end

How We Track Progress

KPI	Target	How we check	How often
Reach	40K+	Meta Ads Manager	Every week
New followers	+500	Instagram Insights	Every week
Inquiries	100+	Messages and calls log	Every week
Cost per inquiry	Under 40 EGP	Meta Ads Manager	Every week
Daily customers	+10	Café sales records	Every week

Every day
Check ads, comments and messages

Every Sunday
Progress report to the owner

End of week 4
Full results review

STEP 7 · REVIEW AND ADJUST

When the Numbers Talk, We Act

IF Reach is below target

THEN Move the budget to the best-performing ad

IF Few likes and comments

THEN Post more reels and test new posting times

IF Many views, few messages

THEN Add a clearer offer and call to action

IF Few new visits

THEN Stronger offer, target people closer to the café

End of month: we review everything with the owner and plan month two
