Hiring Manager
Safe City Company
Metropolis, USA

Dear Hiring Manager,

My name is Superman, and I am a Global Safety Expert with 85+ years of experience. I saw your job post on LinkedIn, and I am happy to apply for the Safety Team Leader role at Safe City Company.

I can offer strong leadership and fast action in hard times. For example, when a big fire started in Metropolis, I had to save the people inside. I worked with the fire team and moved everyone to safety in minutes. Together, we saved 300 people, and no one was hurt.

Your job needs a leader who can make fast decisions and lead a team. I lead the Hero Team with Batman and Wonder Woman, and we have a 99% success rate.

I want to join Safe City Company because you help people feel safe in their homes and streets, and this is my mission too. I also have certificates in First Aid and Team Leadership, and I always want to learn more.

Thank you for your time. I would love to meet you for an interview, and I am ready to start right away.

Best regards,

Superman
