WHY ROAYA?

Make city life easier, safer and greener

Easier
Less time in traffic: anywhere in 15 minutes

Safer
Smart cameras and help in under 8 minutes

Greener
Half of the city's power from the sun

A DAY FOR AHMED

Today		With Roaya
60 min	→	**14 min**
to work 😩		to work 😎

WHAT WE WILL BUILD

- IoT sensors
- Smart cameras
- Smart traffic lights
- Solar energy
- Control center
- City app

- Stakeholder Manager

Smart City Transformation · January 2027 – December 2028

FINAL PROJECT

Roaya

رؤية

Smart City Transformation

A city that saves your time, your money, and your planet.

OBJECTIVES

What we will achieve

−30% traffic jams

−20% energy & water use

15 min to anywhere in the city

50% solar power

8 min emergency response

20,000 new jobs

Smart security systems

80% services online by 2028

IMPACT

- **Better quality of life**
- **A cleaner environment**
- **New jobs and investment**

THE PLAN

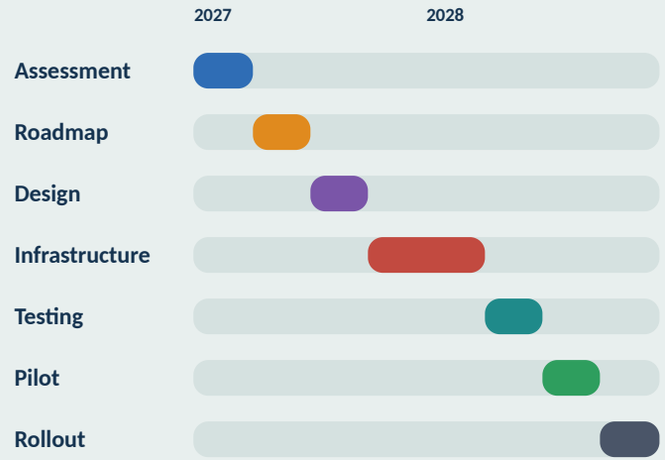

24 months, 7 phases

24 months

550M EGP budget

7 phases

6 deliverables

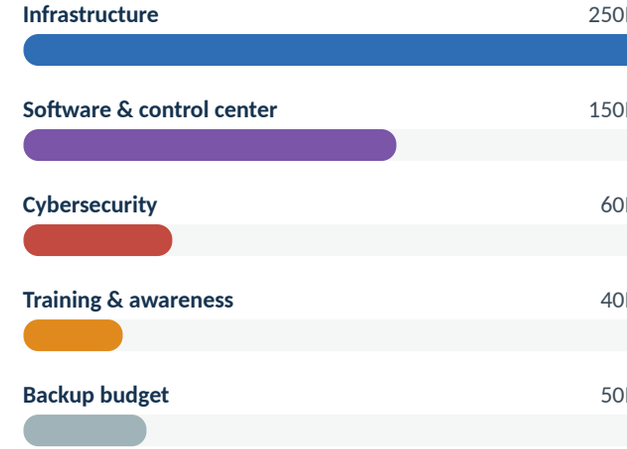

KEY MILESTONES

Mar 2027	Current state assessment
Jun 2027	Roadmap & business case
Sep 2027	Architecture & security framework
Mar 2028	Infrastructure ready
Jun 2028	Systems tested
Sep 2028	Pilot report
Oct 2028	Scale-up plan
Dec 2028	Project closure

BUDGET

EGP 550M

TOP RISKS

- **Cyberattack** · Firewalls + 24/7 monitoring
- **Device failure** · Test first, keep spares
- **Budget overrun** · Monthly review + backup
- **Data privacy** · Clear privacy policy

QUALITY TARGETS

99% system uptime

85% citizen satisfaction
