Hiring Manager
Safe City Company
Metropolis, USA

Dear Hiring Manager,

My name is Superman, a Global Safety Expert with 85+ years of experience. I saw your job post on LinkedIn, and I am happy to apply for the Safety Team Leader role.

When a big fire started in Metropolis, I had to save the people inside. I worked with the fire team and moved everyone to safety in minutes. We saved 300 people, and no one was hurt.

Your job needs a leader who makes fast decisions. I lead the Hero Team with a 99% success rate.

I want to join Safe City Company because you keep people safe, and this is my mission too. I also have certificates in First Aid and Team Leadership.

Thank you for your time. I would love to meet you for an interview.

Best regards,

Superman
